In this follow-up to **The Good News according to Disney**, we will continue to examine the moral and life-changing truths that are found in the canon of Walt Disney movies. Many of these truths are taken directly from Scripture and many of them contain psychological and emotional value for those of us who are faced with the ups and downs of 21st Century life.

As adults today, we need to regain our childhood sense of wonderment. So many of us have lost the freshness that comes from being amazed by the simple beauties of life. We've lost our sense of play and the creative imaginations that spurred us to discover the mysteries of life as children.

In **The Gospel According to Disney** we will explore some of the life-giving messages that are hidden below the entertainment surface of Disney films like Frozen, Aladdin and Zootopia.

This retreat begins with dinner on Friday evening and ends Saturday evening with dinner.

This retreat is NOT intended for children, unless you are into your second childhood!
