CENTER

April 29, 2017  
9:00 a.m.-3:00  
p.m.**

## **Contemplation & Creativity**

# **Recognizing, Affirming and Healing the Creative Heart**

*The Desert  
will lead you to  
your Heart  
where I will  
speak*

Contemplation leads to creativity and creativity leads to contemplation. This retreat will provide time to reflect on our creative process, for contemplative meditation, and to find ways for creativity and contemplation to thrive with each other. It will listen to the voice of artists in the world and help us reflect upon their process. It will help us see where we may be blocked or wounded and need healing as both contemplative and creative persons. It is for anyone who wishes to deepen the creative and contemplative powers of the heart.

Contemplation ...  
Creativity ...  
Healing & Creative Heart ...

*Presenter: Father Greg Wiest, CSSR . A Redemptorist priest, Greg has a Master of Divinity from Catholic Theological Union. Greg conducts various contemplative retreats along with yoga programs at RRC.*
